

## **Important Details for Your Upcoming Eye Care Appointment**

Dear Patient,

To ensure a thorough eye care experience at Birch Run Eyecare, kindly bring the following to your appointment (if applicable):

- 1) Driver's license and insurance cards
- 2) Medication list or any drops you may be taking.
- 3) Glasses/sunglasses
- 4) Current contact lens details(current boxes or current contact lens script)
- 5) Payment for any services/products - this could include copays, contact lens evaluation, ocular health screenings, contact lenses, glasses, past due balance, etc. Some fees may be collected before services are rendered.

Our doctors highly recommend the **Optos retinal screening and iwllness screening** for **ALL patients**. Please note:

- Optos and iwllness screening is \$40 (includes \$10 discount for both tests) - age 40+
- Optos screening is \$25
- Iwllness screening is \$25
- **Opting out? Please be prepared for dilation on the same day for thorough care.**

Feel free to reach out with any questions. We appreciate your trust in Birch Run Eyecare.

Best regards,

Birch Run Eyecare Team
